About This Game

Stacks On Stacks (On Stacks) is a zany 3D tower builder. Play as the Master Stacker, Rockit, who must use her psychic helmet to clean up the colorful bricks falling all over her madcap world.

- BUILD stable towers by executing architectural feats of balancing.
- INCORPORATE mixed-up materials into your towers: works of art, aquariums, magnets, and more.
- DEFEND your towers against invading ghosts, a fireball-breathing dragon, and other outlandish hazards.
- KNOCK your finished towers back down with a wrecking ball.

Ways to Play:

- Story mode: 36 stages featuring twists on stacking such as constructing on quicksand or a giant spring scale.
- Co-op: Team up to complete the game with a partner.
- Versus: best your bud with better balance with split-screen local multiplayer.

-
- Twitch mode: optional Twitch integration lets your viewers vote to influence the game.
